“ I remember when we would just ride around and talk about everything. You were such a good listener and always there when I needed someone to talk to. I'm still waiting for a call from you Morris, to ask me to come see you. I wish I could now. I'm missing you so much. R.I.P. Sweetheart. My deepest condolences to his family. No one should have to bury their son or little brother. He touched so many lives. We all lost someone so special.
