“ My name is Zellor Robinson. my mother Ruthie Wallace Robinson was his oldest sister. My mom always tried to treat uncle Mozell like her son. My mom helped raised him when their mom passed away. I remember when they used to fuss at each other all the time. It was so funny because he used to whisper to me and laugh, she always fussing about nothing and he would throw his hand at her. They loved each other so much. My uncle would always treat us like his children and we all love him so much. Uncle Mozell was one of a kind. When he see you he would always hit us(not hard). That was Uncle Mozell. This was his way of showing us that he missed and loved us. I miss him so much. My heart have been hurting since his passing. To my family I am not there because I want to remember him as he was. I will never forget him. My heart goes out to my cousin. Love you guys always.
