“ *Robyn and Family,
You are in my thoughts and prayers. A precious gift that was on loan for only a short while...she went from your arms into the arms of Jesus. She is healthy, she is care free, she is whole, she does not know pain or struggle but has a life of eternal, everlasting peace and joy! May the Lord comfort all who mourn here and may He draw you nearer to His side, May He lift you up and may you Know Him deeper still. Love you. Your Cousin, Bethany*

“ *Our time together was way too short, but one day we will be able to spend eternal life together. God may have broke our hearts when he took you, but hopefully he was just saving you from some horrible things here. We will always remember how beautiful and precious you are and anticipate the day we meet again.*

*Love always and forever,
Your TT*
