“ Ray moved into the same Apt complex I live in a while back. It was so good to see him again after all the years I hadn't seen him, for we grew up together there wasn't a day that went by he didn't have myself and the neighbors cracking up about something. He was truly cooler than a fan... this complex is very saddened at his passing, and this place will truly never be the same without his presence in it. Flowers were placed at his door to say you'll be missed friend and so long!!!😭 my sincere condolences to the family_loved ones . sincerely, Crystal w, and family
