“ I remember him back when I was a toddler. He was courting and would later married one of my father’s sisters. My aunt, Magnolia, and he was loads of fun for me as a toddler.

Fun memories growing up with her and him. I did not know that they were courting. I just thought he was someone who was just there. I was very little.

“ My condolences to Mr. Boyd's family. I feel blessed to have had the pleasure of knowing "Big O". He was always so kind and generous. His nickname was true in so many ways as he had one of the biggest hearts of anyone I have ever met. Rest well sir. You will never be forgotten.
