“ Mr. Baker always pronounced her name as Pam-ela....but I simply knew her as Pam. We met in the fourth grade when the schools integrated. School integration may have been a big ugly thing in some places, but it wasn't in our world of Chidester Arkansas. I am so thankful we got to have a couple of reunions in recent years to revisit those days and times of our youth. I hadn't seen Pam since graduation, and we all laughed and had a great time. I got to meet Myron, and thought they were a great couple, and know he was great to her, and made her happy. My life is better for having known her, and we'll someday be reunited in Heaven, with Danny Ray and Donnie (Soupie).....may God keep and bless her family. The Guess Family.
