“ *Michael, Anthony, Aundrae, Charmaine, La Toya, I am so sorry that your mother is no longer with us. I hadn't seen her in a while, but I could never forget her. She was always so beautiful and so nice to me. I realize all our parents are getting older as we get older but it's still sad and hard when one passes. I wish all of you love and I hope she can look down on all her kids and know they are standing united loving each other.*
