“ *Pat was always a sweet friendly person. She had a gift of gab ever since her early years. Use to love to see her skate at Fernwood when we were younger. She always gave you words of encouragement. Rest my beautiful friend because you have earned it. Sincere condolences to the Jackson family.*

My condolences to the family. I have to say that Mrs Pat fought a good fight but now her time to rest has come . I didn't want to hear of her homegoing not right now . It seems like it happened when she was doing so well the last time I saw her but I should have known better because of her smile that she gave me ...RIH Sweetie you'll always be remembered by many. Ricky and family love hugs & prayers for she will always be watching over ya'll from up above. ♥

“ Ms Pat loved life, life loved her and so did I. I was 20 yrs old when I met Ms Pat . She was a patient for a Dr. I worked for and we later wound up working together at Sears Credit central iwhich is really how our friendship began. Over the last decade we have shared some similar trials and became the support that each other needed. I will miss my mentor/mother/sister and friend. There's no doubt she's in a place I someday hope to be. I thank God for placing her in my path to be a part of my journey. Until we meet again "so long" . To the family and all who loved her May God hold your hands and comfort your hearts.

Stay/be encouraged!

“ Mother Perry always had an encouraging word for me and she loved my oatmeal cookies she would always say to me....its about time for some more cookies. She would say how she was touched by a song I sang. Our last conversation was she wanted to me take her to look at some purses when I had some free time she said to me, "I know you stay so busy"....I told her to call me and we can do that, I would make the time.....I never got the call. I will miss seeing her sitting in her usual spot at church. God will take care of her now. My prayers go out to the family of Mother Perry.
