My deepest condolences to her family. I pray you find comfort and peace as you remember the love and laughter!

My journey as a quilter started with Trish. I admired her artistry and she always encouraged me along the way. We had “quilting play dates” where she taught me techniques. A few times when she came to Chicago for the Dixon school art fair she would stay at my house. What I will always remember is in 2010 my husband passed away right before we were to move back into our newly renovated house. Because of my grief I was not able to hang our collection of art. She came over, took me to Lowe’s where we bought all of the necessary hardware and she hung up all my art. I will always love her for that. I will miss you sister/friend. Love always ❤️🙏 Susan Trice
