“ Ricky Lamont Johnson is one of my older brother he was the one that traveled from Peoria Illinois to Oakland California with momma Barbara, daddy Willie Dee, big sister Sandra, myself and younger brother Daniel. We lived in different places in East Oakland and he used to travel from Peoria to Oakland every summer til father untimely death. He was my hero because he taught me a lot through the years. He had called me when I got sick and when he found out I had my sixth stroke while I was in the hospital. I got angry when he was in the hospital and he didn't want nobody to feel sorry or pity him because he is a very strong and prideful man. He truly loved and missed his wife sooo much. He said to me he wished he had one more day just to be with her but now they are dancing together forever along with both moms Joan, Barbara, dad, Willie Dee, grandmother Mae Etta brother's Willie Dee Jr. and Floyd. I love you big brother. God got you all, see you on the other side.

“ To Shelondria Kenny Brandy and Family

Ricky will be missed immensely! He was known for his smile those eyes and his looks that he would make while talking to you. He was a mild mannered man who respected you no matter when he was approached, but he learned that from his mother and stepfather who also were kind and loved all young people. May God give your family comfort and peace during your time of grieving!
