“ To my loving and dearest family on this Blessed day that the Lord has made; Of course, I had made plans to be there on this special occasion of the home going of my beloved son, Robert, but due to the weather conditions, I wasn't able to come. I am a firm believer that all things happen for a reason and in saying this, maybe it was God's will for me not to be there today. Although I and my family here are saddened and deeply hurt by this, I accept these things in which I have no control over. I want to thank my daughter, Dorothy, my son, Willie, my grandchildren and everyone else who took a part in arranging this beautiful home going of my son. I also want the family and friends of Robert to be lifted and encouraged, stand strong, and rest for sure that Robert is in a much better place.

My dear son

I can still hear the beautiful sound of your voice. I can still see the happy smile. I still remember how I use to worry about where you were and how you were doing when I hadn't heard from you in a while. I use to always say a prayer for you, asking God to protect and keep you. Well, now my worries are done. I know you are in a safe place; a place of peace, a place where you can rest. Although taken from us much too soon, we respect the will of our Almighty God. There will always be a special place for you in my heart and in my mind. I love you more than you will ever know. For now, for always.

Your mother

“ Carlton Davis, Nephew. Thinking back as a little boy. I recall going to my uncle's house to visit. We would be playing, he would come in the house from a hard day's work. I would ask him how was work? He would smile with this cool look and say a man's job is never done!"Boy" ”

“ Robert Davis is my second oldest brother. I have many laughing stories of growing up with three brothers. I didn't have a sister to play with until seven years later. There were many times I through my brothers forgot I was a girl. One day while mother was working my brother Robert and Willie was playing Barber shop. Well guess who was in the chair to get a hair cut, me! Lol..lol. My brothers cut my 16 inches braided hair off. My mother was not pleased with them giving me a hair cut. We look back on this story and laugh about it..no fun being the only girl with three brothers...

“ I am Bob's oldest daughter. Alot of you didn't know he had children because half the time we were secret. But there are four of us with my brother being the oldest and only son. I have been in my daddy's life since birth. I would go find him just so I can I get a hug and see his smile. Regardless of how my father lived his life I know he loved his children and was a good man. I know he was trying to make it right between all of us and I can say he did. He is now at peace and resting. He was strong and a fighter. He always called me his candy girl that I will always be. I will miss my pops!

I knew Robert from back in the day in Blaine, Mississippi. He used to say a lot of funny stuff back then and yes, he had a lot of humorous. His mother and my mother were friends. I would like to express my condolence to his family that God will help you all through this difficult time. Bertha Jones-Williams
