“ *It was my pleasure to work with Bob at the Post Office. Bob and I started the same day, and every year we would celebrate our anniversary. It was a special remembrance that we shared, and Bob never forgot!*

I also enjoyed Bob joining our union for trivia night. He was sharp, especially on music categories. His jovial laughter was contagious. Bob was sweet, caring, generous and sincere. He will be missed.

“ I worked with Bob at the Post Office and he was a sweet man. He always said hi to me.
My favorite memory of Bob was one hot hot day during the summer he went out on his lunch time and brought back ice cream treats for everyone at work, very generous of him to do that and I have never forgot that kindness to me. I wish more people were as nice a person as he was.
My deepest sympathy to the Reddick family. Sincerely, Rita (te-Nuyl), Tharp

“ I was working at the Peoria Post Office when "Bob" got hired in. I'll always remember how happy and grateful he was for his opportunity of employment, and how thankful he was when he became a full-time postal employee.
It was very obvious, that Bob loved both life and people. He was always happy, respectful, friendly, generous and genuine. I also remember that his mom called him Robert. Rest in peace, Robert.

“ Me and my husband worked with Bob for years at the post office, there was never a moment where he wasn't smiling or cracking jokes. He was a favorite at the post office that's for sure!! He would come visit us and our children, they thought his name was SpongeBob.. And when they called him that, he would grin from ear to ear. Bob was a very special friend and will never be forgotten.. RIP Bob! You will be missed dearly! Thoughts and prayers to his family!

I worked with Bob at the post office for just a few years, but he was a favorite of many. He was funny, polite and generous. He would treat the entire work force at the Peoria processing plant to a Dairy Queen treat quite often during the hot summer months. He has been missed at work, but I do hope he was able to enjoy his retirement, although way too short.

I worked with Big Bob, as we all called him lovingly, for only about a year and a half after being transferred to Peoria from Fort Wayne, Indiana, and have to say he was one of my favorite people there. He always had a joke or a smile for you to get your day started and his DQ treats were such a hit. And he takes his day off to do it. He will be missed. Prayers to his family, he was a good man.

I worked with Bob from 1999 until he retired a year and a half ago. He was always ready to laugh and have a good time. I know the work was getting rough for him towards the end of his time at the Post Office and I hope he got to enjoy the time he did have away from it. There was hardly a song or a movie he didn't know and always had something to talk about. Bob was a great guy and will be very much missed. Rest in Peace my good friend. We all have nothing but love for you.

Bob always had that way of making you feel just a little bit better about yourself... The World and the Post Office could use a few more "Bob's"..
