“ Just today, I was informed that Bob had past away. I often thought of Bob and the short period of time I had the privilege to get to know him as we worked together at the Howard Johnson's on University St in Peoria back in 1964 while I was a senior at Limestone H. S. He was an impeccable person. I'm so very sorry that I lost touch with him. I did attempt to locate him, but never knew his last name. My sincere condolences to Bob's family and friends. I'm the guy in the middle in the three person picture and I'm standing with Bob in the other picture in 1964.
