“ To the family of Rosalie Stone - My sincere sympathy to all of you over the loss of Rosalie. As one of Juanita's doctors, I was privileged to get know Rosalie, and I have always had great admiration for the love and care she gave all of her family, especially Juanita, whose short life was made happy and beautiful by her wonderful mother. it was my honor to be present at Rosalie's 80th birthday celebration, and it was apparent to me then how loved she was by all, and how many lives she has touched, including my own. She taught me a lot about living and caring, both of which she did so very well. Best wishes to you all. I know you will miss her, but you can be proud of her legacy.

“ Ms Stone was my neighbor when I lived in the Pierson Hills Apts in the early 90's. She was there for me with a lot of things. Ms. Stone, myself and another lady would meet at the bus stop with the kids and sit and talk and sometimes have breakfast or a cup of coffee with each other for years until I moved out. I missed her and the talks that we had. I love Ms. Stone. You are with the Angels and I hope that my son greeted you at the door to welcome you home

“ Not sure there were many days that Mrs Rosie was not a part of my life...from the Taft Homes, to Lincoln Street...to Pierson Hills. She exemplified strength and love at all intersections of my life.

She has lived the kind of life that all of us should model.

I am grateful to have known her.

Rest now Mother Stone.

I grew up listening to this beautiful lady and always loved her singing. I would dream one day I could just sing like her. Now you are singing for God and the angels, what a joy I bet they are having a good time listening to your singing.
