Memorial Service

I found that place at the close of the day
When evening has left a void,
Then I'll be with remembered you
A friendship shared, a laugh, a kiss,
All you, those things I see, will show
The sun beamed with love of warm,
I will give the warmth of remembrance.
My life's been full, I've found peace,
Good things, good times, a bond
You're touch, perhaps my love seemed all
So brief, that's together in love with another
grief. Lift up your hearts and share with me,
I've wanted one more, to see you there.

“ My condolences to her brother and cousins and the family.
Over the past 3 and a half years Roz has been my partner and I am devastated by her passing. She was definitely the sweetest, kindest, most thoughtful woman I've ever known.
We had great times together laughing, walking, playing with the dog, Jazzy Marie. I only wish I'd seen her or talked to her one more time. Just one more time to tell her how much she meant to me.
Roz, I WILL miss you. 💕💋💕
