“ When life ends; it provides an opportunity to look at ourselves and those whom played a major role in our lives. My friend Roy Davis. Was more then just a friend. We battled life and lifestyles with the world. Roy also said, keep your chin and don't focus on negatives, but focus on the life God has given you. He'd say, people will tear you down, but only God can rebuild you. To the family my heart goes out to each and everyone of you. God's got him now for eternity. Look to Heavens and say, Thank for those years. I'll miss my friend and that warm smile.
