As the States begin re-opening in response to the Global Coronavirus Pandemic, some people are returning to their previous normal living

standards. Unfortunately, we are now in our new normal as unreal and sometimes uncomfortable as the socially distancing and continuous use of protective masks may feel. *In an effort to mitigate the spread of COVID-19, we ask that everyone in attendance: wear a face mask and refrain from hugging, kissing and shaking hands (as hard as it is to see someone you care about and not touch them). Thanks in advance for your cooperation! *It is our responsibility as a Funeral Directors, to do everything we can to advise families in order to honor our beloved Families and to keep everyone as safe as possible. The church can socially distance and seat a limit of 50 or less people. All others will be able to flow through and view prior to beginning the Celebration of Life Ceremony.

“ On this I give all praise to the Lord, and yet I want to say how truly sorry I am for the lost of your love one.

He was truly a man of God, a man with a vision, and a heart full of compassion. He gave many of us a door to walk through, a school to learn, a vision to uplift, and a goal to achieve.

When others didn't think I was worth it, he gave forth and lead me on the right path, when those I love walked away, he came into my life and share the truth about salvation, when I felt the need to give up, he stood firm and spoke like a father with a master plan and purpose. And the day I was saved, he hug me and told me this is only the beginning.

I never shared this with anyone, I can remember when we first spoke, and I was given a sermon in Bloomington at the church of St. Mary's, and he was there for a conferences, he walk up to me and asked me where I was from, and why am I so afraid to let the spirit take control for it was shining bright as I was speaking. We talked for hours, after a month or to, I ran into him again at a Spiritual Gathering for Leadership in Indiana, and we travel on the bus from Peoria to there, and I know it was God because every step I made he was there encouraging me to speak more loudy, to let the spirit lead me to open up and show others what God has done in my life.

Since that day, he became not only a friend, but a god father, a minister, a mentor, and a true family in Christ. With his compassion toward mentoring the younger generation I was able to grow spiritual emotionally, mentally and physically. To let go is so hard to do right now. But I know he is at peace and he is now speaking with God pointing out what we are doing, trying figure out ways to help us more, and coming up with plans that will give each of us a new path to follow in Christ.

You may be gone by physical stage, but spiritually I know you are here, emotionally you shall be deep in my heart, mentally I shall continue the vision he gave me. Thank You for caring about a

person like, once a sinner who has now become a part of Christ, student of Pastor Randle and a member of Higher Dimension Praise and Worship Church. I love you dad, and I will see you again real soon.

“ I last saw Pst. R.W. Randall when he and Dorothy invited me to do a concert in 2008, after I had recorded my 2nd CD, No Weapon. They were very kind hearted and made me feel most welcome to be invited a second time around as I had been invited in 2005 also, after my 1st.CD was recorded.

I remember him also as Deacon R.W.Randall, as we all grew up together in old Morning Star church under the late Rev. Calvin Hightower. He always had a friendly smile and hello to me and all others.

I know he suffered long, as Lisa kept us informed about his illness. But, I kept him in prayer and I knew God wouldn't put on him anymore than he could bear. And he lived a long life and finished his course on earth. So God has called his servant on home to receive his just rewards. Hallelujah Jesus. Amen.

May the peace of God that surpasses all understanding, rest, rule, and abide upon Dorothy and all of the family. In Jesus mighty name. Amen.

“ Pastor Robert Randle; friend Pastor husband, pawpaw, business entrepreneur and so much more to everyone he came in contact with. When I first started being around the skating rink and helping I remember him showing love ❤️ and being polite and always telling me to pray about anything I didn't know understand. He would invite me to his services and ask me questions about the Bible. Lady Dorothy was always the boss, but had respect for what her husband would say 😭! We need to support her because she will miss her only love 💕! To Lamar and Marcus and other family members we will all miss Dad Pawpaw Randle very much! 😭😭😭 Keep God first and you will find strength and comfort!

“ My FRIEND and I, stood together on many issues in Peoria in favor of the citizens that we served.

In 2010, it was Pastor Randle who partnered with me, as Assistant Director of the Peoria Association of Pastors For Community & Spiritual Renewal along with a handful of other caring local pastors as we conducted Peoria's first and ONLY citizen sponsored gun exchange. And to this day is unacknowledged Black history in Peoria.

Pastor Randle's church, Higher Dimension, was one of the exchange sites and Pastor Randle was valuable with administrative issues to insure procedure was followed.

In 2010-2011 before there was anything such as Black Lives Matter, or any community groups to rally for attention to issues, Pastor Randle and I were in regular and significant talks with the police regarding community policing and policy, maximizing gun exchange success, seeking change in how the police policy and how it dealt with its citizens. We did not tear down a statues nor did we create an occupied zone. We WORKED and worked together IN THE NAME OF CHRIST!

Shortly thereafter, Pastor Randle, with my blessing worked on and led Peoria's only citizen sponsored annual prayer vigil to pray for the condition and peace of Peoria every new year.

We vied at City Hall against bad council moves that led to economic disparity within the Black community and what we pointed out to be atrocious inequity for Black citizens within this area, long before there was a single online report about Peoria being the worst city for Black Americans.

THANK YOU Pastor Randle, for being my friend and riding with me through some pretty tough places, through some hatred and jealousy and into VICTORY every step on the way.

Until we meet again my brother!!!!
