“ It was a pleasure to work with her for over 20 years, She was great at making our day by her coming up with trivia to make us think and make our morning go by faster. I think of all the times we laughed about her and the love of animals (not) she was so afraid of some of them. The time w/ the turkeys at work was so funny, only her to have one chase her.. her life is know with God!!! You will be missed. Your friend of many years. Kim Minnix
