“ *I had the sincere pleasure of working with Sandra several years when I conducted a training program at Pearl. Sandra was not only one of the most enthusiastic participants - she was also my "go-to" person, making sure the room was scheduled, the equipment was working, and anything else I needed. She was there each day to greet me with her warm smile and helpful manner. When someone delivers a great experience, you remember it; more important, you remember the person who made it such a great experience. RIP, Sandra; I bet your friends, family, and co-workers will also be remembering the great experiences you created for them. My sincere sympathy to everyone. “ We extend our sincere condolences to the family during this difficult time of bereavement. Sandra was very close to us when she lived here in Richmond, VA. She was a member of the choir at Riverview Baptist Church. We shared wonderful times with the choir in our home; in fact, our home was the choir's home. We always made them feel comfortable and loved. May fond memories of your loved one strengthen and comfort you.

With Prayers and Love,

“ Sandra...a beautiful person inside and out. Sandra will be missed however what a legacy she left and that legacy was Jesus Christ in the earth. Her love for people, her walk and the many people she touched and encouraged showed people Jesus.

I remember my first cell group with Christian Family Church in Peoria was at James and Sandra's home. Sandra was always one who was gracious and hospitable. And oh what a testimony she had...from polio to dancing before the Lord. I thank God for her life. Rest in peace.

“ It's very hard to imagine this world without the light Sandy brought every where she went. We worked together in ministry at Christian Family Center Church under Pastor Tony Pierce and later at Heaven's View. James and Sandra together were committed to youth ministry and all the Williams children know and love her. She will be missed.

“ I met Sandra at John P. Pearl & Associates many years ago, where she was one of my bosses, but also a peer. She always had a smile for me. After those days, I would see her in different places and that same beautiful smile was present. She was a beautiful kind lady..Her presence will be missed but her spirit will live on

To her family,
She is not lost, only her earthly job is complete. Be comforted in knowing that she is with Lord and sharing that beautiful smile with the Angels.

My prayers are with you.
