“ You will be truly missed. I loved working with you. You were the first nurse I had when I became a CNA and I learned so much from you. We lost touch when we both moved on to other jobs, but I have never forgotten you!. Fly High with the angels sweet lady. You were the greatest nurse I have ever known.

“ Susan and I became friends when we shared an office at OSF St Clare home. Her and Roy, my brother Jim and his wife Rae, and me and my hubby Jay had many good times together. She was one of the hardest working women I ever met. She loved you Les and Tonya, I felt I knew you before I ever met you. You will all remain in my thoughts and prayers
