“ My friend , Always kept us laughing. A real life class clown. We spent so many days together, high school and while he was in the Navy, if he was not at our house we were at his. Some how as we aged we stopped hanging around but never stopped being Friends. Terry adopted my oldest daughter as his godchild and brought her first dog (a toy poodle). You will be missed my friend. I remember when his mom pass and He said to me "I hope you never have to experience this type of pain"  
Terry loved his family SOOO MUCH, and I know you all loved him. May God bless you with his peace during this sad and shocking time, and may the millions of great family memories that you have with Terry bring you some comfort.  
One of His favorite sayings back in the day was " WHO DO YOU LOVE?" , and he would say it many, many times during the day with a loud voice.  
Love you my friend and will miss you.
