“ Cousin, you were the definition of fly. Always swaggy, always smooth, always cool and collected no matter what was going on around you. You had a way of walking into a room already outfitted like you stepped out of a magazine, and somehow you always had on the best cologne, people knew you were there before they even saw you.

Your style wasn't just in your clothes, it was in your spirit. Effortless. Confident. One of a kind. I'll miss that energy, that presence, and the way you made everything look easy. Rest easy, cousin. Your legacy of cool lives on.
