Thinking of how I cheated myself out of our last time we could of spent time together on that Monday February 2, how we laughed on the 3rd about me faking and how you was letting me off the hook and me calling your husband Mack cause for real I thought was his real name and not Butch but the funny sad part is he answered to it. Loving you always. Gone but never forgotten.

“ I remember meeting Tyesia through her sister Tisha. Tyesia reminded me so much of her mother Elsie....she was independent and headstrong. I am truly in disbelief of her passing. May God comfort her husband and children and extended family. Rest in heaven Tyesia....Weeping may endure for a night, but joy cometh in the morning!
