“ Just recently learned of Tyriques passing, very sorry for your loss, I remember him as having a good sense of humor and always concerned about his mother and his family. I worked with him during his time in Miami and it was a pleasure to help him in any way that I could. Rest in Peace young man.

“ *OMG I love you so much. I remember when you were living with me. You use to keep me up all times of the night telling me all kinds of crazy stories when was kids. We go way back like for flats on a Cadillacs. I have so many memories with you I would never forget you. You were always like my lil brother. We talked about a lot of stuff. I shared a lot of secrets with you that I know you took to your grave. You are in a better place. Fly high baby boy. I love you bro. I'm gonna miss you so much. God gathers all his angels # s.l.p*
