As the States begin re-opening in response to the Global Coronavirus Pandemic, some people are returning to their previous normal living standards. Unfortunately, we are now in our new normal as unreal and sometimes uncomfortable as the socially distancing and continuous use of protective masks may feel.

*In an effort to mitigate the spread of COVID-19, we ask that everyone in attendance: wear a face mask and refrain from hugging, kissing and shaking hands (as hard as it is to see someone you care about and not touch them). Thanks in advance for your cooperation!

*It is our responsibility as a Funeral Directors, to do everything we can to advise families in order to honor our beloved Families and to keep everyone as safe as possible. The church can socially distance and seat a limit of 50 or less people. All others will be able to flow through and view prior to beginning the Celebration of Life Ceremony.

“ *Dear Sherry, Tena, and Susan,
Just thinking about the goodness of God and thought of your family. Looked you up and saw your mother had passed. So sorry for the loss of your mother. She was a great example of what a mother is and should be. Even though I only knew her and you all a short while, I loved how she taught you all about loving God. Especially singing His praises. She made an impression in my life and I truly believe she is one of the reasons I serve the Lord now.
Her prayers are still powerful

“ Auntie words cannot say how much you were loved by me and how much you will truly be missed. It's time like this that you wish that you could change the world and eradicate all of the pain and sorrow but that would then become our world and not God's. So I will just simply say so long for now and we'll meet again somewhere around the throne of God.
