“ *My aunt was the most real woman you'll ever meet. She was always fun to be around. She had jokes for days. Every time she hit the wrong keys on her laptop making her font small I would get a Facebook message asking me how to make it large again. The last conversation we had was "hey youngin" "how are you" I say "I'm great, what about you" her reply "fat and sassy" lol. Aunt Vickie you're truly missed, I love you!!*
