“ Wendy,
I remember you from back in the day.
You were a talented little diva with something funny to say.

You were never mean to anyone, and you greeted everyone with a smile as radiant as the sun.

Your heart was pure, and your spirit was right. To be in your presence was a pure delight.

You never failed to light up a room with a personality so bright. It is that sparkle that gleamed into the twilight.

Now, God has called an angel home and in heaven. You sleep tonight.

Rest in heavenly peace, dear Friend. Go sing with the angels in flight.
