“ To the family of William Hogan:  
My condolences go out to you all for the loss of your beloved William.. My name is Milton Hudson and I had the privilege to serve with William in the US Army. What stands out in my mind is how mild mannered he was. William was a few years older than me and I really needed a big brother figure to help steer me in the right direction as I really needed it when we met. I had gotten into trouble early on in my military career before I met William. When I met William He was one of the ones that carried himself in such a way that made me look up to him. I aspired to develop the character that he displayed. I will always cherish the fond memories of working with William or Specialist Hogan as he was known to me.  
God Bless You All !!!!!

“ William was a great guy, good listener, humorous. He would sit at the lunch table with us on occasion and get us laughing, in spite of his tribulation and trials he was always encouraging and uplifting. He will surely be missed. May God embrace you, William, as you walk thru those pearly gates.

Denise and family we, Emily, Cathy, Rosie pray for you and the family often. May Our Lord and Savior comfort you and lift you up at this tragic time of loss.
